Big benefits for businesses of every size

OnPay makes it easy for you to take care of your team and stay compliant. Plus, OnPay's expert benefits agents are there to help you every step of the way.

- ✓ Pick a great plan**
OnPay works with the top carriers in all 50 states to offer medical, dental, and vision.
- ✓ Admin, automated**
Have your plan automatically updated if your headcount changes. OnPay handles the admin.
- ✓ Expert assistance**
OnPay's in-house benefits experts are always available, no matter your company size.
- ✓ Customized for your business**
Create a benefits package that works best for your team (and your budget).
- ✓ Integrated at no extra cost**
There are no fees to keep things in sync with integrated payroll + benefits in one place.

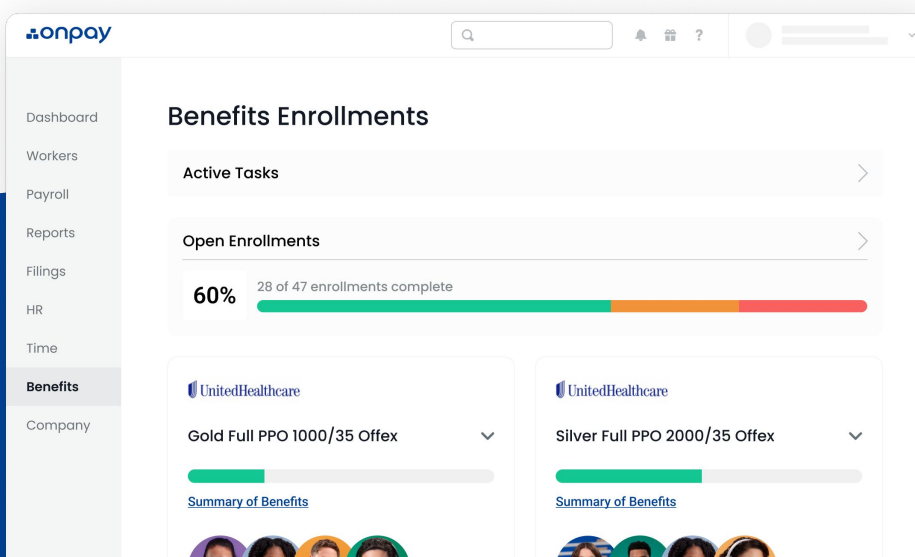

How it works

1. Speak with a licensed agent.
2. Compare benefits plans and costs.
3. Build a custom plan that works for your team.
4. Invite employees to elect their own coverage in OnPay.
5. That's it! Everything stays in sync with payroll.
